

Conference

ISPC 2024, OCTOBER 10–11

WELCOME!

iu INTERNATIONAL
UNIVERSITY OF
APPLIED SCIENCES

Dr. Anton Ravindran

President, Association AI & Humanity (AAIH), Singapore

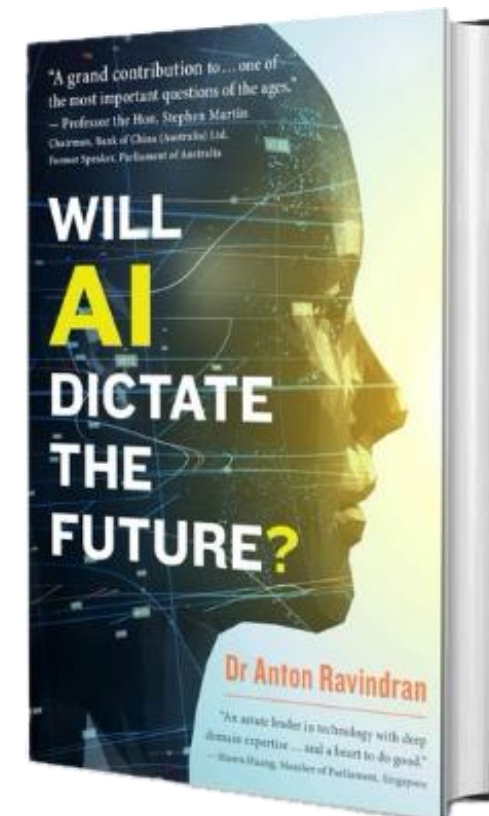

Over three decades, Dr. Ravindran has had a distinguished career in the IT industry, spanning over three decades. He has held technical, business development, and management roles at major companies like IBM, CA, Sun Microsystems, and Oracle before transitioning into entrepreneurship. Since 2000, he has been a technopreneur, mentor, advisor, and adjunct/visiting professor, focusing on Cloud Computing, Big Data, AI, and entrepreneurship.

Dr. Anton Ravindran

President, Association AI & Humanity (AAIH), Singapore

“Dr. Anton ´s book explores objective views on what the future holds for AI and it ´s impact on humanity. With his years of expertise in the field,

Dr. Anton not only provides exciting interpretations into the prevalence of AI in a variety of sectors and its potential evolution in each but also importantly, the ethics and governance of the responsible practice of AI.”

Presentation

Welcome address

Dr. Anton Ravindran

President Alliance for AI & Humanity (AAIH), Singapore

Introduction to today's scientific presentations:

Seven parallel sessions in different rooms

Location: **Big hall ground floor and 3rd floor, rooms 3.07 - 3.15**

Moderators: **Managed by two persons per session**

Session 1:

Digital Management

Location: **Big hall ground floor**

Moderators: **Richard C. Geibel & Kelly Schütz**

Session 2:

AI and Digital Transformation Across Sectors

Location: **IU 3rd floor, room 3.11**

Moderators: **Irakli Gazdeliani & Tea Munjishvili**

Session 3: Digital Health

Location: **IU 3rd floor, room 3.12**

Moderators: **Ulrich Arnold & Alina Holle**

Session 4:

AI and Sustainability in Business and Education

Location: **IU 3rd floor, room 3.13 left side**

Moderators: **Ia Natsvhlshvili & Tamta Lekishili**

Session 5:

Digital Transformation and AI Projects Across Industries

Location: **IU 3rd floor, room 3.13 right side**

Moderators: **Nia Todua & Nugzar Todua**

Session 6:

Applications of AI

Location: **IU 3rd floor, room 3.07**

Moderators: **Christian Lucas & Sebastian Arend**

Session 7:

Benefits of AI

Location: **IU 3rd floor, room 3.15**

Moderators: **Katja Grupp & Sameer Joshi**

BREAK
9.30 – 9.45

Regie: Jetzt folgen Trenner Slides + Präsentationen der Session 1

BREAK

16:00 – 16:20

Ceremonial presentation of certificates: Best Presentation Certificates ISPC 2024

Ceremonial presentation of certificates: Young Scientist Certificates ISPC 2024

ISPC 2025

5th International Scientific Practical Conference

Digital Management and Artificial Intelligence

will take place end of September 2025 at the

Adelphi University, Garden City in **New York, USA**
